Proceeds of this event will fund an Emergency Backup Generator for the Birches, completing our plan to meet essential power needs for heat, lights, food and critical services at all times for Briarwood Residents. Fundraising for the generator began with the 2015 Golf Outing. With 2017's golf proceeds, completion of the project will be within reach. Residents' safety, comfort and care are Briarwood's primary goals and the generator will provide seamless services to ensure this goal is met.
